DiDonato Associates provided complete structural design services for a new 3-story college apartment facility called The Village – College Suites at NCCC. This project includes 4-bedroom / 2-bath and 2-bedroom / 1-bath apartments. The facility is a wood-frame structure with a conventional concrete foundation system. Located on the beautiful 287-acre rural campus of Niagara County Community College, College Suites provides for the ultimate in student housing with private, fully-wired, fully-furnished bedrooms, kitchens and apartment-style living spaces. Building amenities include media room, work out facility, study lounges, laundry facilities, and cafe / convenience facilities.
